ABOUT US

Established in 1971, AIROBAZAR MARKETPLACE Mills, with a successful history in this sector is among the leading companies in Turkey and in the service sector is the vision of being a regional leader. It is a leader in its field with its corporate structure, investments in technology, creative designs and rich product range of 1500 units. Zamak, brass, copper, iron in the production of our structure, unlike competitors, the first company to produce coffee sets and designs are the only company. Our company has an expert staff of 60 people; coffee sets, tea sets, trays, mills, cups, coffee pots, teapots, Turkish delight, sugar bowls, bath bowls, spoons, ashtrays with many productions, such as the structure offers services in the gift industry. We serve many domestic and international regions. Since the day it was founded, it has been recognized in the sector in a short time thanks to the importance it attaches to quality and its determination to achieve the challenge and has never given up these principles.
